

Information on data protection

Data protection is important to us. We treat your personal data in accordance with the legal regulations. In the following we would like to inform you about the essential points. In addition, the integral handling of data in the company NCA Container und Anlagenbau GmbH is part of the company philosophy.

Collection and storage of personal data

The use of the offers and services is largely possible without providing personal data. Further information is only collected if you voluntarily provide it to us, for example in the context of a request or application. Your data will be stored in accordance with the respective provisions for the retention period.

Use, disclosure and deletion of personal data

We use the personal data you provide to respond to your enquiries. A transfer, sale or other transfer of your personal data to third parties only takes place if the transfer is necessary for the purpose of contract processing or if you have expressly consented. For example, we may need to pass on your address and order data to suppliers when the delivery is delivered directly from the factory to you. Our suppliers receive only the information necessary to perform their respective tasks. Any other use of the information is not permitted. In addition, we are entitled to pass on personal data for collection purposes and reserve the right to exchange data with business protection organizations. The retention and deletion periods are based on the respective legal bases, as well as other deadlines such as warranty, guarantees or changes in business relations and are listed in the data processing directory.

Security

We have taken several security measures to protect personal information as much as possible. Our databases are protected by technical and organizational measures that restrict access to the information to specially authorized persons. Our information system is located behind a software firewall to prevent access from other networks connected to the Internet. Only employees who need the information to perform a specific task will have access to personal information.

Cookies

Our website uses so-called cookies. Cookies are used to make our offer more user-friendly, effective and secure. Cookies are small text files that are stored on your computer and stored by your browser. Most of the cookies we use are so-called "session cookies". They will be deleted automatically at the end of your visit. Other cookies remain stored on your device until you delete them. These cookies allow us to recognize your browser the next time you visit.

You can set your browser to inform you about the setting of cookies and to allow cookies only on a case-by-case basis, to exclude the acceptance of cookies for certain cases or in general, and to automatically delete the cookies when you close the browser. When disabling cookies, the functionality of this website may be limited.

YouTube

We use videos of YouTube, LLC, 901 Cherry Ave., San Bruno, CA 94066, USA on this page. By accessing pages of our website that have integrated YouTube videos, data is transferred to YouTube, stored and evaluated. If you have a YouTube account and are logged in, this information will be associated with your personal account and the data stored therein. You can find out what data is collected by Google and what this data is used for on <https://www.google.com/intl/de/policies/privacy/>.
